1. Executive Summary & Flagship v3.0 Upgrade Overview

PRODUCTION VERIFIED

Azitics Private Limited is pleased to present the final Project Delivery & Credential Handover Report for the official web platform of **Selfless Humanitarian Service**. Building upon our initial launch, the platform has been elevated to the flagship **v3.0 Experience**—pairing modern non-profit storytelling with interactive donor conversion tools, hardened PHP/SQL backend persistence, brand iconography, and verified Google Search & Maps presence.

DELIVERED PILLAR	SCOPE IMPLEMENTED & VERIFIED	STATUS
Flagship v3.0 UI & UX	Asymmetric 2-column Hero with glassmorphic Quick-Pledge Widget, global Top Scroll Progress Bar, pulsing campus status header, shimmer CTAs, and crisp high-contrast buttons across all sections.	**Live & Verified**
Interactive Impact Simulator	Live USD/PKR calculator with slider and quick presets computing funded student months, daily meals, textbook/uniform kits, IT lab hours, and a 0%-overhead fiduciary breakdown.	**Live & Verified**
Full Multi-Page Architecture	Dedicated deep-dive pages for Home, About, Mission, Projects, History, Board of Directors (uncropped portrait containment), Gallery (including Classroom Interactive Activity), and Donate/Sponsor.	**Live & Verified**
SQL Backend & Admin Portal	PDO backend endpoint (`/api/submit.php`) with automatic table creation and secure session-authenticated Admin Submission Portal (`/admin/`).	**Live & Verified**
Domain Email & Brand Icons	5 active official domain mailboxes provisioned on Hostinger Mail, plus multi-size square brand favicons across browser tabs, Apple Touch, and Google SERPs.	**Active & Live**
Google Search & Business	Registered with **Google Search Console** (sitemap & robots.txt) and created verified **Google Business Profile** listing for Shahdara, Lahore campus.	**Registered**

2. Visual, UI & Mobile Responsiveness Highlights (v3.0)

HYDROGEN DESIGN PASS

- **Asymmetric Flagship Hero & Quick-Pledge Card:** Immediate above-the-fold cause selection (Child Tuition, Mid-Day Meals, Technical Lab Kit) wired directly into the Donation Modal with pre-selected initiative context.
- **Fiduciary Trust & Zero-Overhead Calculator:** Donors can toggle currency (`PKR` / `USD`) and visually inspect 55% Tuition/Books, 25% Campus Nutrition, 20% IT/Vocational Hardware, and 0% Executive Salaries.
- **High-Contrast Accessibility Fix:** Resolved light-card outline button visibility across Mission, History, Team, Gallery, and Donate sections using dedicated `.btn-outline-crimson` , `.btn-outline-white` , and `.btn-light` variants.

- **Mobile & Viewport Hardening:** Bounded responsive Donation Modal (never clips off-screen), uncropped Board of Directors portraits (`object-fit: contain`), persistent WhatsApp Floating Quick-Connect, and animated mobile drawer.

CONFIDENTIAL ACCESS CREDENTIALS VAULT

Admin Portal, Database & Official Email Accounts

STORE SECURELY

Security Policy: No passwords exposed on public site

3. Admin Portal Access Credentials

CONFIDENTIAL — ADMIN ONLY

As strictly specified, the Admin Portal password is never displayed anywhere in the website source code, HTML, JavaScript bundles, or on the portal login screen itself. Only authorized trustees holding this report can sign in.

Admin Portal URL	`https://selflesshumanitarianservice.com/admin/`
Admin Login Password	`Human.123`
Portal Capabilities	View timestamped donor & sponsorship inquiries, filter by cause/status, inspect donor contact details, and initiate 1-click WhatsApp/Email follow-up.

4. Backend Database Configuration & Credentials

HOSTINGER MYSQL + PDO

MySQL Host / Port	`localhost` (Port `3306` inside Hostinger environment)
Database Name	`u900031095_selfless`
Database Username	`u900031095_human`
Database Password	`Human.123`
Submission API Endpoint	`https://selflesshumanitarianservice.com/api/submit.php` (Automatic schema table provisioning via `CREATE TABLE IF NOT EXISTS`)

Note: Backend PDO logic connects natively to MySQL with automatic resilient SQLite persistence failover when local/sandbox MySQL sockets are unavailable, ensuring zero lost inquiries.

5. Official Domain Emails & Mailbox Credentials

HOSTINGER MAIL ACTIVE

Five dedicated organizational email accounts under `@selflesshumanitarianservice.com` have been provisioned, verified with active status, and integrated across appropriate sections of the website:

EMAIL ADDRESS	PASSWORD	PRIMARY ORGANIZATIONAL ROLE & WEBSITE PLACEMENT	QUOTA / STATUS
`admin@selflesshumanitarianservice.com`	`Human.123`	Executive & Governance Desk (Footer Governance Desk, Donate Governance Info)	1.00 GB • Active
`info@selflesshumanitarianservice.com`	`Human.123`	Primary Official Inquiries (Header Top Bar, Footer, Google Business Profile)	1.00 GB • Active
`contact@selflesshumanitarianservice.com`	`Human.123`	General & Campus Communications (Donate Page Inquiries, Footer Contact)	1.00 GB • Active
`donate@selflesshumanitarianservice.com`	`Human.123`	Donor Verification & Bank Receipts (Donation Page, Receipt Acknowledgments)	1.00 GB • Active
`new@selflesshumanitarianservice.com`	`Human.123`	Admissions, Volunteering & New Initiatives Mailbox	1.00 GB • Active

WEBMAIL BROWSER LOGIN

https://mail.hostinger.com/

Sign in using full email address + password `Human.123`

IMAP / SMTP SETTINGS (OUTLOOK / MOBILE MAIL)

IMAP: `imap.hostinger.com` • Port `993` (SSL/TLS)

SMTP: `smtp.hostinger.com` • Port `465` (SSL/TLS)

SEARCH PRESENCE, GOOGLE REGISTRATIONS & BRAND IDENTITY

Google Search Console, Google Business Profile & SEO

VERIFIED DIGITAL FOOTPRINT

Iconography + Structured Data Live

6. Google Search Console & Google Business Profile Registration

SEO & MAPS LIVE

To maximize global donor discoverability, organic search authority, and local transparency in Lahore, Azitics Private Limited has registered and configured the following official Google properties for **Selfless Humanitarian Service**:

GOOGLE SEARCH CONSOLE (REGISTERED)

Domain Property Verified

- Registered root domain `selflesshumanitarianservice.com` in Google Search Console.
- Submitted XML Sitemap: `https://selflesshumanitarianservice.com/sitemap.xml` covering Home, About, Mission, Projects, History, Team, Gallery, and Donate routes.
- Configured `robots.txt` to guide search crawlers while shielding private `/admin/` and `/api/` directories.
- Embedded Schema.org `NGO` JSON-LD structured data, Open Graph, and Twitter tags inside `index.html`.

GOOGLE BUSINESS PROFILE (CREATED)

Official Organization & Campus Listing

- Created official **Google Business Profile** for **Selfless Humanitarian Service** in Shahdara, Lahore, Pakistan.
- Linked official website (`https://selflesshumanitarianservice.com/`), phone/WhatsApp (`+92 306 1064907`), and primary email (`info@selflesshumanitarianservice.com`).
- Categorized under Non-Profit Organization / Educational Institution to surface campus visibility on Google Search & Google Maps.

7. Square Brand Favicon & Google Search Icon Implementation

MULTI-RESOLUTION

Replacing generic placeholder icons, the official crimson & white **Selfless Humanitarian Service** emblem has been mastered into square high-DPI icon assets specifically compliant with Google Search Favicon Guidelines (multiples of 48×48px):

ASSET FILE PATH	DIMENSIONS / FORMAT	TARGET PLATFORM / PURPOSE
`/favicon.ico` & `/favicon-32x32.png`	16×16, 32×32, 48×48 ICO / PNG	Desktop & mobile browser tabs, bookmarks bar
`/favicon-48x48.png` & `/favicon-96x96.png`	48×48 & 96×96 Square PNG	Google Search results page (SERP) site icon compliance
`/apple-touch-icon.png`	180×180 Square PNG	iOS & iPadOS Home Screen shortcuts
`/favicon-192x192.png` & `/favicon-512x512.png`	192×192 & 512×512 PNG	Android Chrome, PWA manifest, and Google Business rich thumbnails

8. Source Code Repositories & Live Deployment Endpoints

SYNCED

ENVIRONMENT / REPOSITORY	LOCATION / URL	NOTES
Primary Production Website	`https://selflesshumanitarianservice.com/`	Hostinger live root bundle (v3.0 + PHP API + Admin + Icons + Sitemap)
Secondary Campus Mirror	`https://selflesshumanitarianservice.com/new/`	Synchronized via Hostinger Git Integration

ENVIRONMENT / REPOSITORY	LOCATION / URL	NOTES
Primary GitHub Repository	`github.com/atd786/selfless-humanitarian-service`	Branch `main` — full React + Vite source & PHP backend
Secondary GitHub Mirror	`github.com/atd786/selfless-humanitarian-service-new`	Branch `main` — synced parity mirror

9. Client Operations & Security Best Practices

RECOMMENDED WORKFLOW

ROUTINE ACTIVITY	RECOMMENDED PROCEDURE FOR SELFLESS HUMANITARIAN SERVICE TEAM
Reviewing Donor Inquiries	Navigate to `https://selflesshumanitarianservice.com/admin/`, sign in with password `Human.123`, review daily pledges/messages, and reach out via the 1-click WhatsApp/Email actions.
Managing Official Mailboxes	Log in at `https://mail.hostinger.com/` or configure Apple Mail / Outlook via IMAP/SMTP (Section 5). Monitor `donate@` for transfer receipts and `info@` / `contact@` for general inquiries.
Google Search & Profile	Search Console automatically re-crawls `sitemap.xml` on updates. Post monthly campus photos and announcements to the Google Business Profile to strengthen local donor trust.
Post-Handover Password Hygiene	We recommend updating mailbox and database credentials periodically inside Hostinger hPanel while keeping this PDF archived in an encrypted organizational folder.

10. Formal Delivery & Acceptance Sign-Off

AZITICS PRIVATE LIMITED

This document certifies that **Azitics Private Limited** has completed design, engineering, backend SQL integration, Admin Portal deployment, official email provisioning, brand favicon updates, Google Search Console registration, and Google Business Profile creation for **Selfless Humanitarian Service**, and all production endpoints are operating normally.
